This fundraiser event is an open shoot, and we welcome your participation! BCC has a fully automated sporting clay course, both challenging and fun, meets the needs of all levels of shooters. Professional instructors are available on site to get you started: newcomers encouraged. The format calls for teams of four to shoot a round of 100 targets per participant. Based upon the number of shooters registered for an event the course will consist of 12 to 17 stations. Each person will shoot 6-10 targets at each station. Each participant will need 110 rounds of ammo, safety glasses, & hearing protection.
